Shiiki Hall

The Shiiki Hall was donated to commemorate the University's 100th anniversary by Mr. Masakazu Shiiki (born in Yukuhashi City; 1928-2016), the founder of Sanyo Shinpan Finance Co., Ltd. (incorporated with SMBC Consumer Finance), who supported the University's vision of becoming a world-class research center and hoped that the University would produce a great deal of outstanding talent who would contribute to the sustainable development of human society. The Shiiki Hall consists of a circular main concert hall 100 m in diameter and an administration building. The concert hall seats up to about 3,000 people and is used for entrance and degree conferment ceremonies, academic conferences, and other large events. In addition to the concert hall and administration building, it houses lecture rooms, a permanent gallery/exhibition, and a restaurant. The facilities are also available for use by the local community and others outside the university, for such purposes as meetings, seminars, concerts, and exhibitions.
