Among the activities which Kyushu University and Alumni Association cooperate on are job and career support, University events and others as shown below. Please make use of this information for education and research activities including the guidance of students.

Job and Career Support Project

Kyushu University Tokyo Alumni Association cosponsored by Kyushu University, holds interviews for employment, job seminars (twice a year) and career counselling at the Tokyo office.

*During the COVID-19 pandemic, these can be adjusted to online sessions or smaller-scale operations.

Academic Festival

Kyushu University used to hold the “ Homecoming Day ” for the Kyushu University alumni to meet their old friends and mentors. This event has changed to the “ Academic Festival & Homecoming ” since AY 2016, for supporters of Kyushu University to get together.

Kyudai Alumni Platform "Kyudai PAL"

Kyushu University operates "Kyudai PAL," a closed online platform where alumni (graduates and current students) can easily connect with former classmates and their alma mater. Registration and use are free of charge, and personal information such as email addresses, phone numbers, and addresses will not be disclosed, so you can participate with peace of mind. Not only alumni but also faculty and staff can use this service, so we look forward to your registration.

Lifelong email service

In order to promote partnership and cooperation between alumni (including current and dropped out students), faculty and administrative staff (including retired ones), and Kyushu University Affiliates, as well as to promote a sense of attachment to the University, we issue anyone who requests one, a lifelong address they can use (@kyudai.jp). We deliver the current information about Kyushu University to these email addresses using our email magazine (once a week or so), and have been offering a mail forwarding service since 2005. You can apply for a permanent email address to forward emails free of charge at the website below.
